**VOLUME 2:
COMMENT RESPONSE DOCUMENT FOR THE
PROGRAMMATIC ENVIRONMENTAL
IMPACT STATEMENT
FOR LICENSING LAUNCHES***

**May 24, 2001
FINAL**

**Prepared by

*Please note that the term “commercial launch” as used throughout the Draft Programmatic EIS has been removed from the Final Programmatic EIS and replaced with the term “licensed launch.” This change was made for clarification purposes and not in response to public comment. The change was made because the FAA licenses some launches that are not strictly commercial in nature. This change does not alter the description of the proposed action or alternatives, nor does it alter the analyses contained in the Programmatic EIS.
